# 2010 Check In Procedures

Upon arrival there are **TWO** things that you should do: 1. Highlight your name on your team list in the boardroom  
2. Sign in for any additional contests at the proshop

By highlighting your name you help the Pro Shop staff identify which teams require spares. If your name is not highlighted, you are considered to be absent and will not be entered into nightly draw prizes. You must be present to win a draw prize.

If you cannot make a scheduled Men's League, please call, email or text at your earliest convenience:

# 2010 SGCML Rules & Format

**Teams:** Each team consists of eight players, of which are broken down into two players from each group.

**Groups:** The 128 Men's League Members are divided into four groups – A's, B's, C's & D's. The selection of players for each group will be their handicap and is set once all 128 spots are filled.

**Handicaps:** Staff will monitor and adjust handicaps every two weeks. Be sure to obtain your Member ID # to access the computerized handicap system. Posted handicaps are to be used each night – no exceptions. When applying a players handicap, the following is to be used: If Player A's HDCP is 10 and B's is 7, the difference is 3. Therefore B would give Player A two strokes if playing the front nine & one stroke if playing the back nine. The front nine is the higher of the HDCP split.

**Format:** Match Play Format is used each night, with the first night being a scramble. HDCP's are used for Match Play, but not for the scramble. If a player does not show up and no spare is assigned then the remaining player will play against both players from the opposing team, Ex. 2. If both players from the same team & group do not show up, then the remaining two players will play against one player from each of the groups from the opposing team, Ex. 3. If there is only one player present from a team, the single player will play against all four opposing players – as a fivesome.

**Points:** Each match is worth 2 points for a outright win, 1 point for a tie and 0 for a loss. Each night a team will play for the full 16 points, whether a player is absent or not. If two teams are both missing a player from the same group, then the remaining players will play for four points. For the scramble, the following point system will be used (for each nine): 1<sup>st</sup> = 4 points, 2<sup>nd</sup> = 3 points, 3<sup>rd</sup> = 2 points and 4<sup>th</sup> = 1 point. If there is a tie for the scramble, then the tying teams will each receive full points. For example if Team A and B finish tied for 1<sup>st</sup> then each team will receive 4 points.

**Spares:** Each week we will need spares to fill in for those players not present. Like Men's League Members, spares can play an additional nine holes prior to the 6 PM League.
