Gold Key Realty Toonie Putt Contest

Four years strong, we are excited to welcome back Gold Key Realty – Julia Biletsky, Kingsley Marshall & Cave Starling – as our title sponsor for the nightly Toonie Putt! Starting April 16th and going until the Wind Up August 27th, each night after golf we will draw two names from the list of nightly sign ups for their chance of making a 30ft putt inside the clubhouse. The money collected each night carries over until someone makes the putt. And remember, house rules, the ball has to stay in the cup to count!

**Register at your earliest convenience as
only the first 128 paid entries will be
accepted. 403.934.2299 Ext 1**

Check In Procedures: Upon arrival there are **TWO** things that you **MUST** do: 1) Highlight your name on your team list in the boardroom & 2) Sign in for any additional contests at the Pro Shop. By highlighting your name you help the Pro Shop staff identify which teams require spares. If your name is not highlighted, you are considered to be absent and will not be entered into nightly draw prizes. You must be present to win a draw prize.

BE CURTIOUS OF YOUR TEAM MEMBERS – If you cannot make it, please let the Pro Shop know before you leave the week prior or let Morris know by email, text or call: Phone (403) 934 – 2299 Ext 1 Email: mgroves@strathmoregolfclub.com or text (403) 901 – 3795

Spares: There are SIX spots on a permanent spare list. Players can pay the regular sign up fee and will fill-in on a team where a spare is needed each night. Permanent spares will play each week, however, they will be on a different team each night.

In addition, each week we will need nightly spares to fill in for those players not present. Like Men's League Members, spares can play an additional nine holes prior to the 6 PM League. The cost for nightly spares is \$10 for members and \$25 for non members. Those who are interested in sparing are asked to contact the Pro Shop the Monday morning of, to have their name added to the spare list. (403) 934 2299 Ext 1

Points: Each match is worth 2 points for a outright win, 1 point for a tie and 0 for a loss. Each night a team will play for the full 16 points, whether a player is absent or not. If two teams are both missing a player from the same group, then the remaining players will play for four points. For the scramble, the following point system will be used (for each nine): 1st = 4 points, 2nd = 3 points, 3rd – 2 points and 4th = 1 point. If there is a tie for the scramble, then the tying teams will each receive full points. For example if Team A and B finish tied for 1st then each team will receive 4 points. If there is a rain out, or severe weather does not permit play – then the following week, teams will play for double points! So, if there is a rain out, the above rules still apply, however the points are doubled!

Teams: Each team consists of eight players, of which are broken down into two players from each group.

Groups: Players are divided into four groups – A's, B's, C's & D's. This is done once 128 spots are filled.

Handicaps: Staff will monitor & adjust handicaps every two weeks. **Be sure to obtain your Member ID # to access the computerized handicap system – we have a new system in place for 2012 so you may require a new access number.** Posted handicaps are to be used each night – no exceptions. When applying a players handicap, the following is to be used: If Player A's HDCP is 10 & B's is 7, the difference is 3. Therefore B would give Player A two strokes if playing the front nine & one stroke if playing the back nine. The front nine is the higher of the HDCP split.

ALL PLAYERS MUST ENTER THEIR 9 HOLE SCORES EACH WEEK IN ORDER TO BE ELIGIBLE FOR NIGHTLY SKINS. IF A PLAYER DOES NOT ENTER THEIR SCORE FROM THE WEEK PRIOR, THEY CANNOT PARTICIPATE IN SKINS AND THEIR ENTRY FEE WILL BE PAID OUT.

Format: Match Play Format is used each night, with the first night being a scramble. HDCP's are used for Match Play, but not for the scramble. If a player does not show up and no spare is assigned then the remaining player will play against both players from the opposing team, Ex. 2. If both players from the same team & group do not show up, then the remaining two players will play against one player from each of the groups from the opposing team, Ex. 3. If there is only one player present from a team, the single player will play against all four opposing players – as a fivesome.
